Why Aanal Gurukul Wins with this Website

💰 Save 25% – 35% Marketplace Commission:

Unlike Amazon or Myntra that deduct 30% per order, keep 100% of profits from direct customer sales.

🌐 Capture High-Ticket NRI Clients:

Gujarati brides in the USA, UK, and UAE can browse in their local currency and place custom stitching orders directly.

⚡ 1-Click WhatsApp Shopping:

Customers tap "Buy on WhatsApp" and the exact lehenga name, price, and selected size appear in your store chat.

✂️ Zero Fitting Returns:

Custom measurement inputs (Bust, Waist, Hips, Height) guarantee tailor-accurate fits before dispatch.
