Why This Is Great For Aanal Gurukul

 **0% Commission (Save 30%):** Selling on Myntra or Amazon cuts 25% to 35% commission on every lehenga. On your own site, 100% of the money goes directly to your bank account.

 **WhatsApp Easy Orders:** Customers don't need to fill complicated forms. 1 tap opens WhatsApp with the exact dress photo, selected size, and price.

 **Zero Size Returns:** The custom measurement box allows buyers to type their exact body measurements so the blouse and lehenga fit perfectly on arrival.

 **High-Value NRI Sales:** Gujarati families living in the USA, UK, and Dubai can browse in Dollars/Pounds and order bridal lehengas easily.
